LEARN MORE HERE!

CHW Wellness Coordinators are provided to support all new apprentices to provide wrap-around services as they enter a new career. The CHW Wellness Coordinators will hold monthly mandatory learning collaborative 1-hour meetings for CHWs to learn from, share with, and support one another. They will also assist in the RICB application and communication on available training. Mentors and supervisors will quarterly evaluate on-the-job learning competencies for CHWs through online forms.
