

# Envisioning a World Free of Lung Disease

**November 21, 2024**

**Rhode Island Nursing Education Center (RINEC)**  
SSL Building - 350 Eddy Street | Providence, RI 02903

**5:00 p.m. - 7:30 p.m.**

Our vision is simple—a world free of lung disease. Join the American Lung Association as we speak with local experts on the latest in lung health. Participate and ask questions during strategic discussions on improving access to care, championing clean air for all, creating a tobacco-free future and defeating lung cancer. **Register for this free event today!**

Register today at
